Pacvac Replacement Battery Charger

Variant code: 16-PVRC

Pacvac Replacement Battery Charger is a genuine **18V lithium-ion dual battery charger** designed for use with **Pacvac Superpro and Velo cordless vacuum cleaners**. Engineered to deliver safe, efficient charging, this charger allows you to recharge **two 18V lithium-ion batteries simultaneously**, helping minimise downtime and maximise cleaning productivity.

Built to Pacvac's high-quality standards, the charger provides reliable charging performance while protecting battery life through efficient power management. Charging two batteries at once ensures replacement batteries are always ready for use, making it ideal for professional cleaning teams operating cordless vacuum cleaners throughout the working day.

Compact and easy to use, this genuine replacement charger is an essential accessory for maintaining uninterrupted operation of compatible Pacvac cordless machines. Whether replacing a damaged charger or expanding your charging capacity, it offers dependable performance for demanding commercial cleaning environments.

Product Features

- Genuine Pacvac 18V lithium-ion battery charger
- Compatible with Pacvac Superpro and Velo vacuum cleaners
- Charges two 18V batteries simultaneously
- Designed for lithium-ion battery technology
- Reliable and efficient charging performance
- Compact and easy-to-use design
- Supports continuous cordless cleaning operations
- Ideal replacement charger for commercial use

Product Benefits

- **Charges two batteries at the same time to maximise productivity**
- **Reduces machine downtime between cleaning tasks**
