Pacvac 18V 6.0Ah Li-ion Replacement Battery

Variant code: 16-PVRB

Pacvac 18V 6.0Ah Li-Ion Replacement Battery is a genuine high-capacity **lithium-ion battery** designed for use with **Pacvac Superpro and Velo cordless backpack vacuum cleaners**. Delivering reliable cordless power and extended runtime, this 18V 6.0Ah battery helps maximise productivity and minimise downtime during demanding commercial cleaning operations.

Built using advanced lithium-ion technology, the battery provides consistent power output throughout the discharge cycle while offering fast recharging and long service life. For optimum machine performance and battery longevity, Pacvac recommends using and replacing batteries in matched pairs. This ensures balanced charging and discharge, helping maintain maximum runtime and cleaning efficiency.

Designed as a direct replacement, this genuine Pacvac battery fits both Superpro Battery and Velo Battery vacuum cleaners. It is the ideal solution for replacing ageing batteries or keeping additional batteries on hand to support uninterrupted cleaning throughout the working day.
