Pacvac Clear Dome Lid 5L - Replacement Cover for Superpro Machines

Variant code: 16-PVCL

Pacvac Clear Dome Replacement Lid is a **genuine replacement cover lid** designed specifically for **Pacvac Superpro backpack vacuum cleaners**. Manufactured to Pacvac's exact specifications, this durable clear dome lid provides a secure seal for the dust collection chamber while helping maintain optimum vacuum performance and filtration efficiency.

Constructed from robust transparent material, the clear dome design allows operators to easily monitor the condition of the dust bag and internal components without removing the lid. This improves maintenance efficiency and helps identify when servicing or dust bag replacement is required.

Designed as a direct replacement for damaged, cracked or worn lids, the dome cover fits securely onto compatible Superpro machines to maintain airflow integrity and effective dust containment. The durable construction is suitable for demanding commercial cleaning environments where equipment reliability is essential.

As a genuine Pacvac approved spare part, the Clear Dome Replacement Lid ensures perfect compatibility, dependable performance and long service life for Superpro backpack vacuum cleaners.
