Pacvac Superpro Go 700 Battery Backpack Vacuum Cleaner with 4 Batteries (2 Sets) & Charger

Variant code: 16-PV700B

Pacvac Superpro Go 700 Battery Backpack Vacuum Cleaner is a premium battery-powered backpack vacuum engineered to deliver exceptional cleaning performance, operator comfort and maximum productivity in demanding commercial environments. Recognised as one of the most powerful and user-friendly cordless backpack vacuums available, the Superpro Go 700 combines outstanding suction performance with lightweight ergonomics to significantly reduce cleaning times. Supplied complete with **4 batteries (2 battery sets) and charger**, it provides up to **1 hour 20 minutes of continuous runtime** for uninterrupted professional cleaning.

Weighing just **5.7kg**, the Superpro Go 700 delivers powerful suction of up to **33 litres per second**, making light work of carpets, hard floors and upholstery. Its advanced **4-stage HEPA-rated Hypercone™ filtration system** captures fine dust and airborne particles while maintaining exceptional airflow and suction throughout operation. Independent studies have shown battery backpack vacuums can clean up to four times faster than traditional corded tub vacuums, allowing operators to work more efficiently while eliminating cable hazards.

Built for all-day professional use, the Superpro Go 700 features an ergonomic backpack harness that distributes weight comfortably, reducing operator fatigue during extended cleaning sessions. Supplied with a comprehensive accessory kit including a hose, wand, dusting brush, upholstery brush and all-purpose floor tool, this complete package is ready to tackle a wide range of commercial cleaning applications straight out of the box.

Product Features

- Professional cordless backpack vacuum cleaner
- Lightweight design weighing only 5.7kg
- Powerful suction performance up to 33 litres per second
