

## Pacvac Turbo Head Floor Tool – 32mm – 280mm

**Variant code: 16-FLT007**

This turbo head floor tool is a light, non-powered unit which utilises the suction and airflow of the vacuum cleaner to spin the bristles, agitating dirt and debris to achieve better pick up and a deeper carpet clean.

- Pacvac approved, genuine spare part.
- Turbo head floor tool.
- 32mm connection.
- 280mm wide.
