Pacvac Velo - Battery Backpack - inc 2 Sets of Batteries, Charger and 5 Dust Bags

Variant code: 16-VELO/2

Pacvac Velo Cordless Backpack Vacuum Cleaner is an ultra-lightweight, battery-powered backpack vacuum designed to maximise productivity and operator comfort in commercial cleaning environments. Weighing just **4.6kg**, the Velo delivers exceptional manoeuvrability without compromising performance, offering up to **21 litres per second of suction** and advanced **HEPA filtration** for cleaner indoor air. Supplied with **two complete sets of batteries, charger and 5 dust bags**, this package provides extended runtime for uninterrupted professional cleaning.

Powered by high-performance lithium-ion batteries, each battery provides up to **50 minutes of runtime**, allowing operators to clean efficiently without the restrictions of power cords. The ergonomic backpack design reduces fatigue while improving mobility around furniture, stairs and confined spaces. Complete with a hose, telescopic wand, dusting brush, upholstery brush and combination floor tool, the Pacvac Velo is ready to tackle a wide variety of cleaning applications straight out of the box.

Built for demanding commercial use, the Pacvac Velo combines lightweight construction, powerful suction and premium filtration to deliver fast, effective cleaning across offices, schools, healthcare facilities and hospitality venues. The inclusion of two battery sets ensures maximum productivity throughout the working day with minimal downtime for charging.
