Pal Ecopak Dispenser for Mob Cap, Hair Nets, Overshoes, Ear Plugs & Aprons

Variant code: 28-X64110

Pal Ecopak Dispenser can be used to dispense a variety of Pal products. This dual purpose dispenser comes with two front fittings that are screwed into place and can be then installed horizontally to dispense Pal aprons on-a-roll. Alternatively they can be installed vertically to dispense a range of headwear and workwear including Pal mob caps, hairnets, overshoes and oversleeves. It is easy to install and is a great way to hygienically store and dispense high use products helping to keep the workplace tidy. Each dispenser box will contain the two optional front fittings as well as 5 magnetic colour coded inserts to be able to identify product in different user areas.
