Panasonic Vacuum Bags - Pack of 5

Variant code: 16-SDB57

Panasonic Vacuum Bags are **high-quality replacement dust bags** designed for use with **compatible Panasonic vacuum cleaners**. Engineered to provide reliable dust collection and effective filtration, these replacement bags help maintain powerful suction performance while ensuring hygienic disposal of collected dirt and debris.

Manufactured from durable filtration material, the bags efficiently capture dust, dirt and everyday household debris while maintaining consistent airflow through the vacuum cleaner. Their robust construction helps minimise the risk of splitting during use, supporting dependable performance and extending the efficiency of your vacuum cleaner.

Supplied as a convenient **pack of 5**, these replacement vacuum bags offer a practical and cost-effective solution for routine maintenance. Regular replacement helps maximise cleaning performance, protect the vacuum's filtration system and maintain optimum indoor air quality.
