Paper Vacuum Bags: For Nilco/Victor/Lynx Floor Polisher

Variant code: 16-YYY428

Paper Vacuum Dust Bags are high-quality replacement **paper filter bags** designed for **Nilco, Victor and Lynx floor polishers with integrated vacuum dust collection systems**. Engineered to provide reliable dust collection and efficient filtration, these replacement bags help maintain strong suction performance while ensuring clean, hygienic disposal of collected dust and polishing debris.

Manufactured from durable paper filtration material, the bags effectively capture fine dust and debris generated during floor polishing and maintenance. Their robust construction helps maintain consistent airflow throughout the machine while protecting the vacuum system and supporting efficient operation during commercial floor care tasks.

Easy to install and replace, these paper vacuum bags provide a practical and cost-effective solution for routine machine maintenance. Regular replacement helps maximise dust collection efficiency, prolong machine life and maintain a cleaner working environment.
