Pedal Bin Liners - Heavy Duty - 10L - Box of 1000 - White

Variant code: 18-BL18H

Pedal Bin Liners on a Roll are strong **heavy duty 10 litre waste bags** designed to provide hygienic, reliable and efficient waste disposal for kitchens, washrooms, offices and commercial environments. Manufactured from durable tear-resistant polythene, these white pedal bin liners deliver dependable everyday performance while helping maintain cleaner and more sanitary waste management areas.

Designed specifically to fit standard **10 litre pedal bins**, these heavy-duty liners provide a secure and reliable fit that helps prevent slipping, leaks and spills during use. Their robust construction offers improved puncture and tear resistance, making them suitable for handling heavier everyday waste without splitting. Supplied in a practical **on a roll format**, the liners are easy to dispense, store and replace, improving efficiency in busy environments. The professional **white finish** provides a clean and discreet appearance suitable for workplace and domestic settings.

Available in both a convenient **box of 1000 liners** and a practical **pack of 100 liners**, these pedal bin bags provide a cost-effective and dependable waste disposal solution for environments requiring durable small-capacity hygiene consumables.

Product Features
