Pedal Bin Liners - Medium Duty - 10L - White - Box of 1000

Variant code: 18-BL18

Pedal Bin Liners are durable **medium duty 10 litre waste bags** designed to provide hygienic and efficient waste disposal for offices, kitchens, washrooms and commercial environments. Manufactured from strong polyethylene material, these white pedal bin liners deliver dependable everyday performance while helping maintain cleaner and more organised waste management areas.

Designed specifically to fit standard **10 litre pedal bins**, these medium-duty liners provide a secure fit that helps prevent slipping, leaks and spills during use. Their durable construction offers improved tear resistance compared to lightweight liners, making them suitable for handling general everyday waste including paper, tissues, packaging and non-sharp refuse. The clean **white finish** provides a discreet and professional appearance suitable for workplace, healthcare and domestic environments.

Available in both a convenient **box of 1000 liners** and a practical **pack of 100 liners**, these pedal bin bags offer a cost-effective waste disposal solution for environments requiring reliable medium-duty hygiene consumables for everyday use.

Product Features

- **Medium duty pedal bin liners**
- **10 litre capacity**
- Designed to fit standard 10L pedal bins
- Durable tear-resistant polyethylene construction
- Suitable for everyday general waste disposal
