Pedal Bin - Stainless Steel - 3L

Variant code: 14-2001/S

Stainless Steel Pedal Bin is a compact and hygienic **3 litre waste bin** designed for convenient hands-free waste disposal in washrooms, kitchens, offices and hospitality environments. Featuring a durable stainless steel construction with an easy-to-use foot pedal mechanism, this pedal bin provides a practical and stylish waste management solution for professional and domestic settings.

Manufactured with a sleek stainless steel finish, this compact pedal bin combines durability with modern appearance, making it suitable for contemporary washrooms, kitchens and office spaces. The hands-free pedal operation helps reduce direct hand contact for improved hygiene, while the compact 3 litre capacity makes it ideal for smaller spaces and low-volume waste disposal applications.

Designed for everyday reliability and ease of use, the removable inner bucket allows quick and hygienic emptying and cleaning, helping maintain a tidy and professional environment.

Product Features

- **Stainless steel pedal bin**
- **3 litre capacity**
- Hands-free foot pedal operation
- Durable stainless steel construction
- Compact space-saving design
- Removable inner bucket for easy emptying
