Pluto Refuse Sacks - Heavy Duty - 15kg - 90L - Box of 200 - Clear

Variant code: 18-PLUTO

Pluto Refuse Sacks are strong **heavy duty 90 litre waste bags** designed to provide reliable and hygienic waste disposal for domestic, commercial and industrial environments. Manufactured from durable high-quality polythene, these clear refuse sacks offer dependable tear resistance and secure waste containment for demanding everyday waste management applications.

Featuring a generous **90 litre capacity** and a substantial **15kg load rating**, these heavy-duty refuse sacks are engineered to safely handle heavier waste materials without splitting or leaking. Their durable construction makes them ideal for kitchens, offices, warehouses, schools, commercial premises and light industrial applications. The **clear transparent finish** allows easy identification of contents, making them suitable for waste segregation, recycling compliance and environments where visible waste management is required.

Supplied in a practical **box of 200 sacks**, these refuse bags provide a cost-effective and dependable waste disposal solution for high-use environments requiring strong and transparent waste containment products.

Product Features

- **Heavy duty Pluto refuse sacks**
- **90 litre capacity**
- **15kg load rating**
- Strong tear and puncture-resistant polythene construction
- Suitable for heavier everyday waste disposal
- **Clear transparent finish** for visible content identification
- Suitable for commercial and industrial applications
- **Box quantity: 200 sacks**

Product Benefits

- Provides secure and hygienic waste containment

Tel: 01626 355177
Email: info@aukhygiene.com

- Helps reduce leaks, tears and messy spillages
- Supports efficient waste segregation and recycling compliance
- Suitable for demanding domestic and commercial waste disposal
- Improves cleanliness and organisation in waste collection areas
- Bulk pack provides excellent long-term value
- Transparent finish allows quick identification of contents

Technical Characteristics

- **90L heavy duty refuse sacks**
- **15kg maximum load capacity**
- Clear durable polythene construction
- Heavy-duty tear-resistant design
- Suitable for general and commercial waste
- Designed for high-volume waste disposal applications
- Easy-fit and secure closure performance
- **Box quantity: 200 sacks**

Applications

Pluto Refuse Sacks are ideal for offices, warehouses, schools, hospitality venues, kitchens, commercial premises and domestic properties requiring strong and transparent waste disposal solutions. Their heavy-duty construction and clear finish make them particularly suitable for recycling systems, security-conscious environments and organised waste segregation applications.
