

Polar Star Spectacles – Smoke

Variant code: 22-PS18SKR

The Polar Star is a modern sport look spectacle, with wrap-around dual lens. Its polarised lenses helps stop any glare effect, reduce eye fatigue and improve the contrast level and colour visibility. This high-performance style reduces the harmful effect of UV rays and is ideal for people working around water surfaces. Contrast colour tips and nose-bridge for superior comfort and anti-slip performance.
