Portwest Mesh Air Pro Polo Shirt Short Sleeve - White - X Large

Variant code: 22-C211WHRXL

Portwest Mesh Air Pro Polo Shirt Short Sleeve is a premium workwear polo designed to provide exceptional comfort, breathability and professional appearance in demanding workplace environments. Combining modern styling with advanced fabric technology, this lightweight polo shirt helps keep wearers cool and comfortable throughout the working day while maintaining a smart and professional look.

Manufactured using innovative **MeshAir™ aerated fabric**, the shirt promotes continuous airflow to improve ventilation and temperature regulation. The lightweight construction and moisture-wicking properties help draw perspiration away from the body, keeping the wearer dry and comfortable during physically demanding tasks. The contemporary fit, durable fabric and short sleeve design make it ideal for warm working conditions where comfort and freedom of movement are essential.

Designed for everyday professional use, the Mesh Air Pro Polo Shirt combines functionality, durability and style. Whether worn as part of a uniform programme or general workwear solution, it delivers reliable performance and long-lasting comfort across a wide range of industries.
