Prem 100 White Cloth Wipe - Pack of 200

Variant code: 12-700

Prem 100 White Cloth Wipe is a versatile, high-performance disposable wiping solution designed for a wide range of industrial, commercial and janitorial cleaning applications. Manufactured to provide excellent absorbency, strength and durability, these professional-grade wipes offer reliable cleaning performance for everyday maintenance and hygiene tasks.

Engineered for demanding environments, Prem 100 wipes effectively absorb liquids, oils and general spills while remaining strong enough for repeated wiping during use. The soft yet durable cloth-like construction makes them suitable for both delicate surface cleaning and heavier-duty wiping applications. Their low-lint properties help ensure a cleaner finish, making them ideal for environments where cleanliness and presentation are important.

Supplied in a convenient **pack of 200 wipes**, Prem 100 White Cloth Wipes provide an economical and practical solution for workplaces requiring a dependable disposable wiping product. Easy to dispense, handle and dispose of, they help improve cleaning efficiency while maintaining high standards of hygiene across a variety of industries.
