Fabric Adhesive Plasters - Assorted Sizes - Pack of 100

Variant code: 21-86500

These lightweight quality plasters conform easily to the body to stay in place. Designed to cushion and protect. The highly flexible fabric fibre weave ventilates the wound and promotes quick natural healing.

Each plaster is individually wrapped.

Material stretch fabric provides exceptional comfort.

Features:

- Non adherent absorbent wound pad
- Zinc oxide adhesive
- Small packs of 10's or 20's are ideal for use in first aid kits
