Prochem Bravo Plus - Portable Carpet & Upholstery Cleaner - Includes Carpet Wand & Hoses

Variant code: 16-BV300

Prochem Bravo Plus is a **compact and versatile portable carpet and upholstery cleaner** designed to deliver professional extraction cleaning performance in small to medium-sized areas. Combining excellent portability with enhanced tank capacity, the Bravo Plus is ideal for carpet cleaning, spot cleaning and upholstery maintenance in commercial and domestic environments.

Featuring a **larger capacity solution tank**, the Bravo Plus allows operators to clean for longer between refills, improving productivity when tackling carpeted areas. Supplied complete with a **lightweight stainless steel carpet wand and hose assembly**, the machine is ready for immediate use and provides effective soil and moisture extraction for professional cleaning results.

Designed with operator convenience in mind, the machine incorporates moulded-in spray bottle holders, a pull-up transport handle, cable wrap system and a carry-along handle for easy transportation between cleaning locations. A large porthole provides quick and convenient access to the recovery tank, simplifying maintenance and tank cleaning.

Compact, durable and easy to manoeuvre, the Prochem Bravo Plus is an excellent solution for contractors, facilities managers and cleaning professionals requiring a reliable and portable extraction machine for routine carpet and upholstery cleaning tasks.

Product Features

- **Portable carpet and upholstery extraction machine**
- Larger capacity solution tank
- Supplied with lightweight stainless steel carpet wand
- Complete hose assembly included
- Moulded-in spray bottle holders
- Pull-up transport carry handle
