Prochem Bravo Spotter - Portable Carpet & Upholstery Cleaner - Inc Upholstery Tool & Hoses

Variant code: 16-BV100

Prochem Bravo Spotter is a compact and powerful **portable carpet and upholstery extractor** designed for rapid spot cleaning, upholstery maintenance and small-area carpet cleaning. Ready to use straight out of the box with **no setup required**, the Bravo Spotter combines excellent cleaning performance with exceptional portability, making it the ideal solution for professional cleaners, facilities management and vehicle valeting.

Its lightweight design allows the machine to be easily carried with one hand, while the pull-up transport handle and integrated cable wrap improve mobility between cleaning locations. Moulded-in holders for spray bottles keep cleaning chemicals within easy reach and free up the operator's hands. The upright-mounted vacuum motor and oversized recovery tank promote longer motor life, while the large porthole provides easy access for cleaning and maintenance. Supplied complete with a hose assembly and dual-purpose upholstery and hand tool, the Bravo Spotter is ready for immediate operation.

Designed for dependable commercial performance, the Prochem Bravo Spotter is ideal for removing spills, stains and embedded dirt from carpets, upholstery and vehicle interiors. For optimum reliability and continued performance, Prochem recommends servicing the solution pump every six months.
