

Prochem Fabric Restorer Heavy Duty Upholstery Prespray Detergent – 2 x 5L

Variant code: 09-B108

A high concentrate blend of detergents and low odour solvents, formulated for use on heavily soiled areas of wet cleanable upholstery fabric.

Fabric Restorer will effectively remove grease, hair oil and body contact soils and give a pronounced brightness to fibres and fabrics.

Always pretest fabric for colour fastness and possible colour or texture change with diluted solution before proceeding.

Do no use on water sensitive fabrics.

Property	Value
Dilution	Mix 60ml of fabric restorer per litre of warm water.
pH	9
Area of Use	Upholstery
CLP	corrosive
How to Use	Apply in trigger spray or bucket and apply foam by upholstery brush to all heavily soiled areas. Agitate with brush then blot or wipe with clean white towel.
Chemical Colour	Yellow
