Prochem Hard Floor Squeegee/Scrub Wand - Hard Surface Cleaning & Extraction Tool

Variant code: 16-PM2505

Prochem Hard Floor Squeegee & Scrub Wand is a **professional hard surface cleaning tool** designed for effective scrubbing, solution recovery and maintenance cleaning of a wide range of hard floor surfaces. Engineered for use with compatible extraction machines, this versatile wand combines scrubbing action with powerful vacuum recovery to deliver efficient cleaning and faster drying results.

The integrated scrub and squeegee design allows operators to loosen dirt and contaminants while simultaneously recovering cleaning solution and wastewater. This dual-action cleaning process helps improve productivity, reduces manual effort and leaves floors cleaner and drier after cleaning.

Designed for professional commercial use, the wand is suitable for a variety of hard floor types including vinyl, safety flooring, sealed stone, ceramic tiles, quarry tiles and other washable surfaces. Its robust construction ensures long-term durability, while the ergonomic design provides comfortable operation during extended cleaning sessions.

As a genuine Prochem accessory, the Hard Floor Squeegee & Scrub Wand provides reliable performance and is an ideal solution for maintaining hard floors in commercial, institutional and industrial environments.

Product Features

- **Professional hard floor scrub and extraction wand**
- Combined scrubbing and squeegee action
- Simultaneous cleaning and solution recovery
- Suitable for use with compatible extraction machines
- Durable commercial-grade construction
- Designed for hard floor maintenance cleaning
