

Prochem Prespray Gold Woolsafe Approved Carpet & Fabric Prespray – 5L

Variant code: 09-B107

Prespray Gold is a highly concentrate professional strength prespray cleaner for wool, wool mix, stain resistant nylon and other pH sensitive wet-cleanable carpets, rugs and upholstery fabrics.

Prespray Gold is an advanced formula product with high cleaning power but mild pH to tackle tough oily and greasy soils prior to extraction rinsing.

WoolSafe Approved maintenance product for wool carpets and rugs.

| Property | Value |
|-----------------|---|
| Fragrance | Lemon |
| pH | 8 |
| Dilution | Mix 30ml of Prespray Gold per litre of water (1:32) |
| Area of Use | wool, wool mix, stain resistant nylon and other pH sensitive wet-cleanable |
