

Prochem TM3 Contra Rotating Brush Machine Inc Renovator Trays

Variant code: 16-CA3800

A compact CRB Counter Rotating Brushing machine for cleaning carpets and stairs with Prochem Fiberdri compound.

The TM3 offers the professional and in-house carpet cleaner a cost effective dry maintenance cleaning method for cleaning smaller areas and stairs.

Application and benefits: dry soil removal, pile lifting, low moisture cleaning, compact design, stainless steel body, low noise level

Designed for use on all types of carpet, the machines use contra-rotating brush action to work the dry cleaning compound into the carpet pile.

The systems can be used in areas during working hours as the carpet is kept dry and the unit has a very low noise level.

The cleaning and compound pick-up process is automatic with the Renovator system included, or by vacuuming to remove the soiled compound.
