PW2 Softshell Jacket (2L) - L - Black/Red

Variant code: 22-PW271BDRL

A contemporary softshell jacket that has a windproof, water-resistant and breathable membrane, with the added luxury of a micro polar fleece. This jacket has a host of technical features including an internal pocket, pre-formed elbows and elasticated cuffs. The stylish design, subtle stitch detail and contrast colour touches make this jacket an eye-catching addition to the PW2 collection.
