PW3 100L Water-resistant Duffle Trolley Bag - Black

Variant code: 22-B951BKR

The 100L duffel trolley bag is a highly weather resistant bag perfect for taking on your travels. Sturdy wheels and a telescoping handle offer a smooth flowing operation. Made from super durable 600-denier polyester ripstop fabric covered in a TPU film laminate, the B951 offers bomber protection for all your gear, clothes, work boots or tools. The spacious main compartment is easily accessed via a zippered, U-shaped lid. There's plenty of storage solutions inside, including a netted compartment to allow for item-specific stashing. Extra daisy chain straps down the sides can be used for clipping on extra gear.
