Hand Towel Dispenser - Raphael - Battery Powered - Blue

Variant code: 28-ELEBLURA

Raphael Battery Powered Hand Towel Roll Dispenser is a **professional electronic hand towel dispenser** designed to provide convenient, controlled paper towel dispensing in commercial washrooms. Its battery-powered operation delivers individual towel sheets, helping support hygienic hand drying while managing paper consumption.

Featuring **adjustable sheet length and dispensing options**, the dispenser allows facilities teams to manage towel presentation according to washroom requirements. Its **stub roll transfer system** helps maximise paper usage by allowing the remaining paper from a partially used roll to be dispensed before moving to a replacement roll, reducing unnecessary waste.

Available in **Blue, Smoke and White**, the dispenser offers a choice of finishes to complement different washroom interiors. Designed for use with compatible Raphael hand towel rolls, it provides a practical solution for offices, schools, hospitality venues and other commercial environments requiring reliable hand towel dispensing.

Product Features

- **Battery-powered electronic hand towel dispenser** for commercial washrooms
- Controlled dispensing of individual paper towel sheets
- **Adjustable sheet length** to help manage paper consumption
- Configurable towel presentation and dispensing options
- **Stub roll transfer system** designed to minimise unused paper
