

Raphael Electronic Hand Towel Dispenser – Smoke (Requires 4xD Batteries)

Variant code: 28-ELESMORA

Reduce Waste – numerous adjustable settings to control sheet length or dispensing delays. Dispenser features stub roll transfer.

Save Time – high capacity dispenser, taking rolls up to 250m. Replenish less often and spend less time checking: translucent covers means you can clearly see from a distance without having to open the dispenser.

Improve Hygiene – user only touches paper that they use, and towels are presented either 'In' or 'Out'. Contactless dispensing.

Key features:

- Dispenses a single flat sheet, at an adjustable length of 20, 30 or 40cm
- Adjustable setting to Short / Medium / Long delay between dispenses to minimise 'overuse'
- Adjustable setting to 'Towel In' or 'Towel Out' with a selection of delay options
- Contactless dispensing, limits the spread of washroom bacteria
- Translucent cover (Smoke / Blue) or back (White) allows for 'at-a-glance' replenishment checks without the need to open the dispenser
- Simple to operate for all ages and abilities
- High capacity, makes the dispenser suitable for high traffic areas, and reduces the frequency of replenishment required. Also has the option for Stub Roll transfer
- Requires x4 D-Cell batteries (not included)

Size – 415 x 300 x 240mm
