Raphael Versatwin - 2 Ply Recycled Toilet Rolls - Case of 24x125m

Variant code: 01-VT2125R

Raphael Versatwin Recycled Toilet Rolls are high-capacity **2 ply toilet tissue rolls** designed to provide reliable hygiene, sustainability and cost efficiency in commercial and high-traffic washroom environments. Manufactured from recycled paper, they offer an environmentally responsible solution without compromising on comfort, strength or everyday performance.

Each roll provides an extended **125 metre** length, helping reduce refill frequency and minimise maintenance requirements in busy facilities. The 2 ply construction delivers a comfortable balance of softness and durability, while the Versatwin dispensing compatibility supports controlled usage and helps reduce unnecessary waste. Supplied as a bulk case of **24 rolls**, these toilet rolls provide a practical and economical solution for organisations requiring dependable washroom consumables with sustainable credentials.

Designed for use across a wide range of professional and public environments, the Raphael Versatwin range supports efficient washroom management while helping organisations reduce environmental impact.

Product Features

- **2 ply toilet rolls** for professional washroom environments
- Manufactured from **recycled paper**
- Extended **125 metre roll length**
- Compatible with **Raphael Versatwin dispensers**
- Designed for controlled and efficient dispensing
- Suitable for high-traffic washroom facilities
