Refuse Sack - Heavy Duty - 15kg - 90L - Box of 200 - Black

Variant code: 18-MD18

Refuse Sacks are strong **heavy duty 90 litre waste bags** designed to provide reliable and hygienic waste disposal for domestic, commercial and industrial environments. Manufactured from durable high-quality material, these black refuse sacks deliver dependable tear resistance and secure waste containment for demanding everyday waste management applications.

Featuring a generous **90 litre capacity** and a substantial **15kg load rating**, these heavy-duty refuse sacks are engineered to safely handle heavier waste materials without splitting or leaking. Their durable construction makes them ideal for busy households, commercial kitchens, warehouses, workshops and industrial facilities requiring strong and dependable waste disposal solutions. The professional opaque **black finish** helps conceal waste contents while maintaining a clean and organised appearance.

Supplied in a practical **box of 200 sacks**, these refuse bags provide a cost-effective and efficient waste management solution for high-use environments requiring reliable heavy-duty waste containment products.

Product Features

- **Heavy duty refuse sacks**
- **90 litre capacity**
- **15kg load rating**
- Strong tear and puncture-resistant construction
- Suitable for heavy everyday waste disposal
- Professional opaque **black finish**
- Designed for commercial and industrial applications
