# Refuse Sack - Medium Duty - 10kg - Clear - Box of 500/90L

**Variant code: 18-CL18**

**Refuse Sacks** are durable **medium duty 90 litre waste sacks** designed for efficient and hygienic waste disposal across commercial, educational and domestic environments. Manufactured from reliable polythene material, these clear refuse sacks provide dependable everyday performance for general waste handling and waste segregation applications.

With a generous **90 litre capacity** and a **10kg load rating**, the sacks are suitable for handling paper waste, packaging materials, office refuse and other non-hazardous general waste. Their clear construction allows easy identification of contents, supporting recycling procedures, security inspections and effective waste segregation management. The durable medium-duty design helps resist tearing and splitting during routine waste handling tasks.

Supplied in a practical **box of 500 sacks**, these refuse sacks provide a cost-effective bulk solution for workplaces and facilities requiring reliable waste disposal consumables. Their versatile design makes them suitable for a wide range of commercial and public sector environments.

## Product Features

- **Medium duty clear refuse sacks**
- **90 litre capacity**
- **10kg load rating**
- Durable polythene construction
- Clear design for easy waste identification
- Suitable for general and non-hazardous waste
- Designed to resist tearing and splitting
- Supplied in a **box of 500 sacks**

## Product Benefits

- Supports hygienic and efficient waste disposal
- Improves waste segregation and recycling visibility
- Reduces risk of leaks and liner failure during use
- Suitable for busy commercial and public environments
