Refuse Sack - Medium Duty - 90L/15kg - Box of 200 - Black

Variant code: 18-HP18

Refuse Sacks are durable **heavy duty 90 litre waste sacks** designed to provide reliable and hygienic waste disposal for commercial, industrial and domestic environments. Manufactured from strong high-quality polythene, these refuse sacks deliver dependable everyday performance for handling substantial waste loads while helping maintain clean and organised waste management systems.

Featuring a generous **90 litre capacity** and a robust **15kg load rating**, these sacks are engineered to resist tearing, punctures and leaks during use. Their durable construction makes them suitable for handling kitchen waste, office refuse, general rubbish and commercial waste applications. The opaque **black finish** provides a discreet and professional appearance while helping conceal waste contents in busy workplace and public environments.

Supplied in a convenient **box of 200 sacks**, these refuse sacks provide a practical and cost-effective bulk waste disposal solution for facilities requiring reliable and hygienic everyday waste management consumables.

Product Features

- **Heavy duty refuse sacks**
