

## Refuse Sack with Wide Opening – Heavy Duty – 18kg – Box of 200/120L – Clear

Variant code: 18-CL18L

**Keep Your Waste Management Efficient and Hassle-Free with Our Heavy-Duty Refuse Sacks with Wide Opening**

Tired of flimsy bin liners that split and spill? Upgrade to our **Heavy-Duty Refuse Sacks with Wide Opening**, the reliable solution for managing substantial waste volumes in commercial, industrial, and even demanding household environments. This bulk **box of 200 clear refuse sacks**, each boasting a generous **120-litre capacity**, offers exceptional strength and convenience.

### Key Features and Benefits:

- **Heavy-Duty Construction:** Crafted from robust, high-quality polythene, these **heavy-duty bin bags** are designed to withstand significant weight, up to **18kg per sack**. Say goodbye to rips and tears, ensuring mess-free waste disposal.
- **Wide Opening for Easy Use:** The thoughtfully designed **wide opening** facilitates effortless loading of waste, even bulky items. This feature saves time and reduces frustration, making waste disposal more efficient for cleaning staff, warehouse personnel, and homeowners alike.
- **Large 120 Litre Capacity:** Each **large capacity refuse sack** holds a substantial **120 litres** of waste, minimizing the frequency of bag changes. This is ideal for high-traffic areas, events, and businesses that generate significant refuse.
- **Clear Visibility:** The **clear bin bags** allow for easy identification of contents, which can be beneficial for security purposes or for ensuring proper waste sorting where required.
- **Bulk Pack of 200:** This cost-effective **box of 200 refuse sacks** provides a long-lasting supply, reducing the need for frequent reordering and saving you money in the long run.
- **Versatile Application:** These **strong**

**refuse sacks** are suitable for a wide range of applications, including:

- Commercial kitchens and food waste
  - Offices and general waste
  - Warehouses and industrial waste
  - Schools and educational institutions
  - Hospitals and healthcare facilities
  - Construction sites (non-sharp debris)
  - Large households and garden waste
- **Reliable and Durable:** Trust in the durability of these **18kg refuse sacks** to handle your waste management needs effectively and consistently.

#### **Ideal For:**

This product is perfect for businesses seeking **commercial bin liners**, facilities requiring **industrial refuse bags**, and individuals needing **heavy-duty waste bags** for demanding tasks. The **large clear sacks** are also a practical choice for events and situations where visibility of contents is desired.
