Refuse Sack with Wide Opening - Heavy Duty - 18kg - 120L - Box of 200 - Black

Variant code: 18-MD18L

Refuse Sacks with Wide Opening are premium **heavy duty 120 litre waste bags** designed for demanding waste management applications in commercial, industrial and domestic environments. Manufactured from durable high-quality material, these black refuse sacks provide exceptional strength, reliability and performance for handling bulky and heavy waste materials safely and efficiently.

Featuring a generous **120 litre capacity** and a substantial **18kg load rating**, these heavy-duty refuse sacks are engineered to resist tears, punctures and splitting during use. The practical **wide opening design** allows effortless loading of bulky items while reducing spills and improving waste handling efficiency. Their robust construction makes them ideal for managing kitchen waste, commercial refuse, industrial debris, garden waste and non-sharp construction materials. The professional opaque **black finish** helps conceal waste contents while maintaining a clean and organised appearance.

Supplied in a convenient **box of 200 sacks**, these refuse bags provide a dependable and cost-effective waste disposal solution for facilities management, janitorial services, hospitality venues, warehouses and other high-use environments requiring reliable heavy-duty waste containment.

Product Features

- **Heavy duty refuse sacks with wide opening**
- **120 litre capacity**
- **18kg load capacity**
- Wide opening design for easier waste loading
- Strong tear and puncture-resistant construction
- Suitable for bulky and heavy waste materials

Product Benefits

- Provides reliable and hygienic waste containment
- Helps reduce tears, leaks and messy spillages
- Wide opening improves loading speed and efficiency
- Suitable for commercial, industrial and domestic waste management
- Supports cleaner and more organised waste disposal areas
- Bulk pack provides excellent long-term value
- Professional black finish offers discreet waste management

Technical Characteristics

- **120L heavy duty refuse sacks**
- **18kg maximum load rating**
- Durable black material construction
- Heavy-duty tear-resistant design
- Wide opening for bulky waste handling
- Suitable for commercial and industrial applications
- Reliable closure and handling performance
- **Box quantity: 200 sacks**

Applications

Refuse Sacks with Wide Opening are ideal for warehouses, commercial kitchens, hospitality venues, janitorial services, industrial facilities, construction environments, events and domestic properties requiring strong and reliable large-capacity waste disposal solutions. Their heavy-duty construction and practical wide opening make them particularly suitable for handling awkward, bulky and heavy waste materials efficiently.
