Refuse Sacks - Heavy Duty - 90L/15kg - Box of 200 - Blue

Variant code: 18-COL18B

Refuse Sacks are durable **heavy duty 90 litre waste sacks** designed to provide reliable and hygienic waste disposal for commercial, industrial and domestic environments. Manufactured from high-quality resilient polythene, these strong blue refuse sacks deliver dependable performance for handling substantial everyday waste loads while supporting efficient waste management procedures.

Featuring a generous **90 litre capacity** and a dependable **15kg load rating**, these refuse sacks are engineered to resist tearing, punctures and leaks during use. Their heavy-duty construction makes them suitable for handling office waste, kitchen refuse, garden debris and commercial waste applications. The vibrant **blue colour** supports colour-coded waste segregation systems and allows easy identification of designated waste streams in busy workplace environments.

Supplied in a practical **box of 200 sacks**, these refuse sacks provide a cost-effective and reliable waste disposal solution for facilities requiring durable and hygienic bulk waste management consumables.

Product Features

- **Heavy duty refuse sacks**
- **90 litre capacity**
- **15kg load rating**
- Strong tear and puncture-resistant polythene construction
- Designed to resist leaks and splitting
- Distinctive **blue colour** for waste identification
- Suitable for commercial and industrial waste disposal
- Supplied in a **box of 200 sacks**

Product Benefits

- Provides reliable and hygienic waste containment
- Supports efficient waste disposal in demanding environments
- Reduces risk of spills, tears and liner

failures
- Improves waste segregation and colour-coded waste management
- Suitable for heavier everyday waste applications
- Helps maintain cleaner and more organised waste areas
- Offers economical bulk supply for regular use

Technical Characteristics

- **90L heavy duty refuse sacks**
- **15kg maximum load capacity**
- Blue high-quality polythene construction
- Heavy-duty puncture and tear-resistant design
- Suitable for general and commercial waste applications
- Designed for domestic, commercial and industrial use
- **Box quantity: 200 sacks**

Applications

Refuse Sacks are ideal for offices, warehouses, hospitality venues, schools, factories, workshops and domestic environments where durable and reliable waste disposal solutions are required. Their strong construction and blue colour-coded design make them particularly suitable for environments operating waste segregation and recycling management systems.
