

Refuse Sacks – Heavy Duty – 90L/15kg – Box of 200 – Red

Variant code: 18-COL18R

Choose our Quality Heavy-Duty Red Refuse Sacks – 90L/15kg (Box of 200)

Tired of flimsy bin bags that split and leak?

Upgrade to our **Heavy-Duty Red Refuse Sacks**, the ultimate solution for demanding waste disposal needs. This bulk box of **200 robust bin liners** offers exceptional strength and reliability, making them perfect for both **domestic and commercial use**.

Engineered for resilience, each **90-litre refuse sack** is constructed from high-quality, durable polythene, capable of securely holding up to **15kg of waste**. The vibrant **red color** offers easy identification for specific waste streams or simply adds a visual cue for your bin.

Key Features & Benefits:

- **Heavy-Duty Construction:** Manufactured from thick, tear-resistant polythene to prevent rips, punctures, and leaks, even with sharp or heavy contents.
- **Generous 90-Litre Capacity:** Provides ample space for significant amounts of waste, reducing the frequency of bag changes. Ideal for kitchens, offices, gardens, and industrial environments.
- **Strong 15kg Load Capacity:** Confidently dispose of heavier items without worrying about the bag failing.
- **Bulk Box of 200:** Offers exceptional value and ensures you have a long-lasting supply, saving you time and money on frequent reorders.
- **Distinctive Red Color:** Easily identify waste streams for recycling programs or simply add a visual distinction.
- **Versatile Application:** Suitable for a wide range of waste disposal needs, including general household waste, garden debris, office refuse, and light industrial waste.
- **Reliable and Durable:** Designed to withstand the rigors of everyday use, providing peace of mind that your waste will be contained securely.
- **Essential for Home and Business:** An indispensable item for maintaining

cleanliness and efficient waste management in any setting.

Ideal For:

- Household Waste Disposal
- Kitchen Waste
- Garden Waste (leaves, grass cuttings, small branches)
- Office Waste
- Commercial Waste Management
- Janitorial Supplies
- Industrial Waste (non-hazardous)
- Recycling Programs (depending on local regulations)
