Refuse Sacks - Heavy Duty - 90L/10kg - Box of 200 - Yellow

Variant code: 18-COL18Y

Refuse Sacks are durable **heavy duty 90 litre waste sacks** designed to provide reliable and hygienic waste disposal in commercial, industrial and domestic environments. Manufactured from strong high-quality polythene, these heavy-duty sacks deliver dependable performance for handling substantial everyday waste while helping maintain cleaner and more organised waste management systems.

Featuring a generous **90 litre capacity** and a **10kg load rating**, these refuse sacks are engineered to resist tears, punctures and leaks during use. Their strong construction makes them suitable for handling household waste, office refuse, catering waste, garden debris and light construction materials. The high-visibility **yellow colour** supports waste stream identification, segregation procedures and improved safety in busy workplaces and public environments.

Supplied in a convenient **box of 200 sacks**, these refuse sacks provide a practical and cost-effective waste disposal solution for facilities requiring durable and reliable bulk waste management consumables.

Product Features

- **Heavy duty refuse sacks**
- **90 litre capacity**
- **10kg load rating**
- Strong tear-resistant polythene construction
- Designed to resist punctures, leaks and splitting
- High-visibility **yellow colour** for waste identification
- Suitable for commercial and domestic waste disposal
- Supplied in a **box of 200 sacks**

Product Benefits

- Provides reliable and hygienic waste containment
- Supports efficient waste disposal in
