

Refuse Sacks – Heavy Duty – 90L/10kg – Box of 200 – Yellow

Variant code: 18-COL18Y

Keep Your Waste Secure and Visible with Our Heavy-Duty 90L Yellow Refuse Sacks

Tired of flimsy bin bags that split and leak, creating messy and unhygienic situations? Upgrade to our **Heavy-Duty Refuse Sacks**, specifically designed for demanding waste disposal needs. This bulk **box of 200 yellow refuse sacks** offers a robust and reliable solution for homes, offices, businesses, construction sites, and more.

Each sack boasts a generous **90-litre capacity**, providing ample space for substantial amounts of waste, reducing the frequency of bag changes. Crafted from durable, high-quality polythene, these **strong bin bags** can confidently handle loads up to **10kg**, resisting tears and punctures from sharp or heavy items.

The vibrant **yellow colour** offers several key benefits. Firstly, it enhances visibility, making it easy to identify specific waste streams for recycling or segregation purposes. This is particularly useful in commercial settings or for complying with waste management regulations. Secondly, the bright colour can improve safety by making filled bags more noticeable, reducing the risk of trips or accidents.

Key Features and Benefits:

- **Heavy-Duty Construction:** Manufactured from tough polythene for exceptional strength and tear resistance.
- **Large 90 Litre Capacity:** Ideal for handling significant volumes of waste, minimising the need for frequent replacements.
- **10kg Load Capacity:** Designed to securely hold heavy and bulky items without splitting.
- **Vibrant Yellow Colour:** Enhances visibility for easy identification and improved safety. Useful for waste segregation.
- **Bulk Box of 200:** Provides a cost-effective and convenient supply for regular waste disposal needs.

- **Versatile Use:** Suitable for a wide range of applications, including household waste, garden refuse, commercial waste, and construction debris.
- **Reliable and Durable:** Ensures clean and efficient waste management, preventing leaks and spills.

Ideal For:

- **Households:** For managing general waste, garden waste, and DIY project debris.
- **Offices and Businesses:** For everyday waste disposal in kitchens, break rooms, and general office areas.
- **Catering and Hospitality:** For managing food waste and general refuse in a hygienic manner.
- **Schools and Educational Institutions:** For collecting waste in classrooms, cafeterias, and outdoor areas.
- **Construction and Trade:** For disposing of building materials, rubble, and site waste (within the 10kg limit).
- **Events and Festivals:** For efficient waste management during and after large gatherings.
