Refuse Sacks - Heavy Duty - 90L/15kg - Box of 200 - White

Variant code: 18-COL18W

Refuse Sacks are durable **heavy duty 90 litre waste sacks** designed to provide reliable and hygienic waste disposal for commercial, industrial and domestic environments. Manufactured from strong high-quality polyethylene, these robust white refuse sacks deliver dependable performance for handling substantial everyday waste loads while supporting efficient waste management procedures.

Featuring a generous **90 litre capacity** and a dependable **15kg load rating**, these refuse sacks are engineered to resist tearing, punctures and leaks during use. Their heavy-duty construction makes them suitable for handling office waste, kitchen refuse, janitorial waste and light industrial applications. The clean **white finish** provides a professional appearance while supporting colour-coded waste segregation systems in workplaces and hygiene-sensitive environments.

Supplied in a practical **box of 200 sacks**, these refuse sacks provide a cost-effective and reliable bulk waste disposal solution for facilities requiring strong and hygienic waste management consumables for everyday use.

Product Features

- **Heavy duty refuse sacks**
- **90 litre capacity**
- **15kg load rating**
- Strong tear and puncture-resistant polyethylene construction
- Designed to resist leaks and splitting
- Professional **white finish**
- Suitable for commercial and industrial waste disposal
- Supplied in a **box of 200 sacks**

Product Benefits

- Provides reliable and hygienic waste containment
- Supports efficient waste disposal in demanding environments
- Reduces risk of spills, tears and liner failures
- Supports colour-coded waste
