Riceweave Tea Towels - Pack of 10

Variant code: 12-631

Riceweave Tea Towels are premium quality 100% cotton kitchen towels designed for superior absorbency, efficient drying and reliable everyday use in commercial and domestic kitchen environments. Featuring a traditional riceweave construction, these professional tea towels provide enhanced moisture absorption and durable long-lasting performance for busy catering and hospitality settings.

Manufactured from 100% cotton, these super absorbent tea towels efficiently dry crockery, glassware, cookware and kitchen surfaces while remaining soft and gentle on delicate items. The riceweave fabric structure improves airflow and moisture retention, helping deliver faster and more effective drying performance compared to standard kitchen towels. Supplied in assorted colours, these tea towels are ideal for supporting colour-coded kitchen organisation and hygiene systems.

Supplied in a convenient **pack of 10 tea towels**, these reusable cotton kitchen towels provide a practical and economical solution for restaurants, catering businesses, hotels, cafés and domestic households.
