Rubbermaid X-Cart Frame - 150L - Grey

Variant code: 14-1871643

Rubbermaid 150L X-Cart Frame

Rubbermaid's X-Cart range consists of folding trolleys that are capable of transporting large loads without impacting on manoeuvrability. Their collapsible design means that they can be stored with ease, even in environments where space is an issue

Features and Benefits

Collapsible frame facilitates efficient storage by reducing the space needed by up to 75%
Compact, lightweight design offers unparalleled manoeuvrability
Combine with durable vinyl bag to accommodate large loads
Discreet colour blends into most environments
Silent operation reduces disturbances in environments that are dependent on quiet
