### Conquer Tough Waste with Our Heavy Duty 60L Black Rubble Sacks – Box of 100

Tired of flimsy bags that split under the weight of construction debris, garden waste, or household clutter? Upgrade to our **Heavy Duty 60L Rubble Sacks**, the ultimate solution for robust and reliable waste disposal. This bulk **box of 100 black rubble sacks** provides exceptional value and ensures you're always prepared for demanding cleanup tasks.

Crafted from **high-quality, durable polythene**, these **strong refuse sacks** are specifically designed to withstand significant weight and resist tearing and puncturing. Each sack boasts a generous **60-litre capacity**, making them ideal for handling substantial amounts of **building rubble, garden waste, soil, stones, bricks, plasterboard**, and other heavy materials.

The classic **black colour** offers a professional and discreet way to manage waste, whether on a construction site, in the garden, or during a home renovation project. The robust construction ensures that even sharp or awkwardly shaped items are contained securely, minimizing the risk of messy spills and making transportation safer and easier.
