

Rug Doctor Mighty Pro X3 Professional Carpet Cleaner with Upholstery Kit

Variant code: 16-RDMP

The Rug Doctor X3 features innovative technology to clean your carpets simply and efficiently. Remove embedded dirt and grease easily with its effective one-pass cleaning system. You will get professional results without the high costs, at a time that suits you. You don't need to worry about storage, as it folds up into a neat, easy-to-store machine.

The X3 machine uses our advanced three-stage cleaning system:

Inject – A powerful spray injects the hot cleaning formula deep into the carpet.

Agitate – The innovative brush technology scrubs and polishes individual carpet fibres.

Extract – Finally, the enhanced suction motor removes the grime, which goes into the Mighty Pro X3's large capacity cleaning tank.
