

## Sabre-Dot Glove – XXL – Grey

Variant code: 22-A640G7RXXL

### Sabre-Dot Glove – Grey: The Ultimate Grip & Protection Workhorse

Elevate your hand safety with the **Sabre-Dot Glove in Grey**, a premium multi-purpose work glove engineered for those who demand both precision and durability. Designed with a seamless knit construction and high-visibility PVC dots, these gloves are the industry standard for warehousing, logistics, and general assembly.

The sleek grey colourway isn't just about aesthetics; it's designed to mask dirt and grime, keeping you looking professional even during the toughest shifts. Whether you are handling slick glass, heavy boxes, or intricate components, the Sabre-Dot provides the "second skin" feel necessary for all-day comfort.

#### Key Features & Benefits

- **Superior PVC Dot Grip:** The palm and fingers are reinforced with high-density PVC dots, providing exceptional traction and slip resistance in both dry and slightly oily conditions.
- **Breathable Seamless Knit:** Constructed from a high-quality cotton/polyester blend that allows air to circulate, reducing hand perspiration and fatigue during extended use.
- **Ambidextrous Design:** Save time and money; every glove fits either hand, making pairing a breeze and extending the life of your pack.
- **Elasticated Knit Wrist:** Features a secure, snug-fitting cuff that prevents debris, dust, and dirt from entering the glove.
- **Abrasion Resistance:** Built to withstand repetitive tasks, the Sabre-Dot offers a protective layer against scrapes and minor skin abrasions.

## Ideal Applications

The versatility of the **Sabre-Dot Grey** makes it a staple for:

- **Warehousing & Logistics:** Picking, packing, and pallet handling.
- **Construction:** General site tidying and light material handling.
- **Automotive:** Assembly line work and parts management.
- **Home Improvement:** DIY projects, gardening, and moving house.

## Technical Specifications

Feature	Details
<b>Material</b>	Cotton/Polyester Blend
<b>Grip Type</b>	PVC Studded / Dotted Palm
<b>Colour</b>	Industrial Grey with Black Dots
<b>Cuff Style</b>	Ribbed Knit Wrist
<b>Size Range</b>	Small to Extra Large
<b>Washable</b>	Yes (Machine Washable)

## Frequently Asked Questions (FAQ)

### Q: Are these gloves touch-screen compatible?

A: While not specifically designed as "touch-screen gloves," the knit material often allows for basic screen interaction (like swiping). However, for high-precision typing, we recommend removing them.

### Q: How do I choose the right size?

A: The Sabre-Dot features a flexible knit that stretches. For the best fit, measure the circumference of your palm. If you are between sizes, we recommend sizing up for comfort or sizing down for maximum dexterity.

### Q: Can I wash these gloves?

A: Yes! We recommend a cold machine wash and air drying. Avoid high-heat dryers to prevent the PVC dots from losing their adhesive quality.

## Pro-Tips for Longevity

**The Rotation Hint:** If you use these daily, rotate between two pairs. Allowing the fibres to fully "rest" and dry out from hand moisture between uses can increase the lifespan of the knit by up to 30%.

**The Storage Trick:** Keep them out of direct sunlight when not in use. Prolonged UV exposure can eventually make the PVC dots brittle.
