

SC Johnson Deb Touch Free Dispenser – 1.2L – Chrome

Variant code: 28-TF2CHR

Compact designed, power efficient touch free dispensing system.

Features & Benefits;

- 'Touch-Free' Dispenser – Encourages use and minimises any risk of cross-contamination.
- Versatile – Can be used on walls in washrooms, corridors and hallways or on SC Johnson Professional's free-standing stand.
- Exceptionally Long Battery Life – The power provided by 4 D-Cell batteries will provide up to 5 years of operation in typical usage conditions.
- Reliable – Uses the latest infra-red sensing technology for reliable operation to prevent misfiring; tolerant to skin colour, temperature, ambient light and humidity.
- Large Capacity – Cartridges contain 1.2L of foam soap or non-alcohol sanitiser providing approximately 1700 applications, and 1L of foam alcohol hand sanitiser providing approximately 1400 applications.
- Fixed Product Dose – Delivers the exact amount required, controlling usage and reducing waste
- Colour Options – Available in a range of colours to match different decor environments.
- Unique Locking Mechanism – Helps prevent unauthorised access, pilferage and product contamination. The dispenser can be converted to open with a release button (included) for ease of access.
- Simple Cartridge Replacement – Designed for exclusive use with SC Johnson Professional skin care system products to enable cartridges to be replaced in seconds, reducing maintenance time and costs.
- Minimal Waste – The air-tight cartridges are designed to collapse to minimise product waste.
