Scott® Essential™ Foam - Everyday Use Hand Cleanser - Case of 6 x 1L

Variant code: 10-6340

Scott Essential Foam Hand Cleanser is an **everyday use foam hand cleanser** developed for professional washroom environments where effective hand hygiene, user comfort and operational efficiency are important. Manufactured by Kimberly-Clark Professional, the Scott Essential range is designed to provide reliable hand cleansing solutions for busy workplaces and public facilities.

The mild foam formulation effectively removes everyday dirt and contaminants while remaining suitable for frequent hand washing. The rich foam lather spreads easily across the hands, delivering thorough cleansing and rinsing away quickly to leave hands feeling clean and refreshed. Its gentle formulation supports regular use throughout the day, making it suitable for high-traffic washroom environments.

Designed for use with compatible Kimberly-Clark Professional dispensing systems, the sealed refill cartridge promotes hygiene and simplifies maintenance. The controlled foam dispensing system helps optimise product consumption by delivering a measured dose with every use, supporting cost control and reducing unnecessary waste. The cartridge design also enables quick and efficient replacement, helping maintain washroom availability.

Supplied in a **case of 6 x 1L cartridges**, Scott Essential Foam Hand Cleanser provides a practical and economical solution for organisations seeking dependable everyday hand hygiene across a wide range of commercial and public settings.
