Scott Slimroll - 1 Ply Hand Towel Rolls - White - Case of 6x165m

Variant code: 01-6657000

Scott Slimroll Hand Towel Rolls are efficient and space-saving **1 ply paper towel rolls** designed to support hygienic hand drying in busy commercial washroom environments. Featuring the innovative **Slimroll format**, these high-capacity rolls deliver more paper per roll while helping reduce maintenance requirements and refill frequency in high-traffic facilities.

Each roll provides an extended **165 metres** of hand towel material, supporting improved operational efficiency and reduced servicing time compared with conventional towel roll systems. The 1 ply construction offers reliable absorbency for effective everyday hand drying, while the compact Slimroll format allows increased paper capacity within compatible dispensers.

Supplied as a case of **6 rolls**, these hand towel rolls provide a practical and cost-effective solution for organisations seeking efficient washroom management and dependable hygiene performance.
