

Scottish Fine Soaps Sea Kelp Conditioner – Hand Cream – 5L

Variant code: 10-785

The **Scottish Fine Soaps Sea Kelp Conditioner** is a luxurious hair conditioner formulated to nourish, soften and detangle hair while leaving it feeling smooth, healthy and refreshed. Infused with the brand's signature **Sea Kelp fragrance**, this premium conditioner delivers a fresh coastal scent inspired by the Scottish shoreline, making it an excellent choice for hotels, guest accommodation, leisure facilities and premium washrooms.

Designed for frequent use, the rich conditioning formula helps improve hair manageability without leaving it feeling heavy. The generous **5-litre** refill format provides an economical solution for high-volume environments, reducing refill frequency and packaging waste while ensuring a consistent supply for bulk dispenser systems. Ideal for professional hospitality settings, it complements the Scottish Fine Soaps Sea Kelp Hair & Body Wash to create a coordinated guest experience.

Combining premium hair care, a refreshing fragrance and outstanding value, the Scottish Fine Soaps Commercial Sea Kelp Conditioner is the perfect solution for commercial washrooms and hospitality venues seeking luxury and practicality in one product.
