

Sebo D9 Professional Cylinder Tub Vacuum Cleaner

Variant code: 16-90995GB

Technologically advanced and superbly engineered the Sebo Professional D9 takes commercial cylinder vacuums to a new level of quality, performance and ease of use. Sebo's patented ErgoGrip handle is comfortable to use making cleaning easier and faster. The stainless-steel telescopic tube can be adjusted for comfort and the four castors allow it to move easily over flooring and thresholds without tipping. Walls and furniture are protected by the patented Sebo Airbelt bumper.

- Powerful 890W motors.
- Variable power lets you control the suction, so you can get the best out of your cleaning.
- Highly versatile cleaning with brush ON/OFF and 4-stage height settings.
- Ergonomic handle for a comfortable use.
- 12 metre cable with auto-rewind.
- Electric ET-1 powerhead for optimum carpet cleaning

The electric powerhead easily picks up stubborn hair and fibre and can be adjusted to different carpet heights thanks to the 4-way manual height adjustment. The powerhead will automatically switch off if the brush is blocked and the brush roller can be removed for cleaning or replacing at the push of a button. For delicate floors, the brush motor can simply be switched off with the on/ off switch.
