

Sebo Dart 1 – Upright Vacuum Cleaner

Variant code: 16-DART1

Sebo Dart 1 Upright Vacuum Cleaner is a professional-grade upright vacuum cleaner designed to deliver powerful cleaning performance, exceptional manoeuvrability and long-lasting reliability. Featuring separate motors for vacuum suction and brush operation, the Dart 1 combines durable engineering with versatile everyday cleaning capability for commercial and domestic environments.

Engineered for efficient and comfortable cleaning, the Sebo Dart 1 incorporates an innovative flexi-neck design that allows smooth manoeuvrability around furniture, obstacles and tight spaces. The powerful brush system delivers excellent carpet agitation and dirt removal, while the four-level height adjustment system enables optimum cleaning performance across different carpet types and floor surfaces. Separate vacuum and brush motors improve durability and operational reliability, making the machine suitable for demanding regular use.

Designed with hygiene and convenience in mind, the Dart 1 features hospital-grade filtration to help capture fine dust particles and improve indoor air quality during operation. The integrated on-board hose, crevice nozzle and storage clamp provide quick access to detail cleaning for edges, stairs, corners and hard-to-reach areas. Compact, practical and easy to operate, the Sebo Dart 1 delivers dependable upright vacuum cleaning performance for professional and everyday cleaning applications.

Product Features

- **Professional upright vacuum cleaner**
- Separate vacuum and brush motors for improved durability
- Flexi-neck steering for enhanced manoeuvrability
- 4-level carpet height adjustment system
- Hospital-grade filtration system
- Integrated on-board hose and crevice nozzle
- Compact and easy-to-use upright design
- **Suitable for carpets and multi-surface cleaning**

Product Benefits

- Provides powerful and reliable vacuum cleaning performance
- Flexi-neck design improves movement around obstacles
- Separate motors enhance long-term operational durability
- Height adjustment optimises cleaning across floor types
- Hospital-grade filtration supports improved indoor hygiene
- Integrated hose and tools simplify detail cleaning tasks
- Compact upright design improves handling and storage

Technical Characteristics

- **Separate brush and vacuum motor system**
- Flexi-neck steering mechanism
- 4-position carpet height adjustment
- Hospital-grade filtration technology
- Integrated hose and crevice cleaning tool
- Commercial-grade upright vacuum construction
- Suitable for professional and domestic use
- **Multi-surface cleaning capability**

Applications

Sebo Dart 1 Upright Vacuum Cleaner is ideal for offices, hotels, healthcare facilities, retail spaces, schools, domestic homes, janitorial services and contract cleaning companies requiring reliable, manoeuvrable and hygienic upright vacuum cleaning performance.

Property	Value
