Sebo Dust Bags for 370/460/X1 Automatic

Variant code: 16-5093

Sebo Ultra Dust Bags are **genuine high-filtration replacement vacuum bags** designed for use with **Sebo 370, 460 and X1 Automatic vacuum cleaners**. Manufactured using advanced multi-layer filtration material, these premium dust bags provide excellent dust retention, hygienic disposal and consistent vacuum performance in demanding commercial and domestic cleaning environments.

The high-efficiency filtration media effectively captures dust, dirt, allergens and fine particles whilst maintaining optimum airflow throughout the life of the bag. This helps preserve strong suction performance and supports the overall filtration system of the vacuum cleaner, contributing to cleaner indoor air quality.

Designed to Sebo's exacting quality standards, these genuine Ultra Bags offer superior durability and reliability compared to standard paper alternatives. Their robust construction helps prevent tearing during use and disposal, making them ideal for high-frequency cleaning applications.

Supplied as a convenient **pack of 8**, these genuine Sebo dust bags provide a cost-effective solution for maintaining vacuum performance and supporting routine machine maintenance.
